

4 REASONS TO SCORE WITH NEVCO'S UPGRADEABLE SCORERS TABLE

1. VERSATILITY WITHIN ONE TABLE

- 3 Size & Format Options:
 - 4ft, 8ft, 10ft
 - Non-Lit, Rear-Lit, LED
- Any Nevco Table can be upgraded at any time by simply replacing the existing cartridge with a rear-lit or LED cartridge
- Combine different sizes and styles of Nevco Scorers Tables by interlocking them to create a seamless look, ensuring scorekeepers, statisticians, and announcers have a seat at the table during the game

2. SPONSORSHIP & REVENUE OPPORTUNITIES

- Nevco LED Scorers Tables allow you to make the most of your courtside by displaying virtually limitless inventory spots for sponsors, advertising, and donors
- Sell advertising spots for specific sports, games or other school events to generate revenue
- Non-Lit & Rear-Lit Scorers Tables can be upgraded to LED at any time

3. EDUCATE STUDENTS

- Extend the classroom to the court, utilizing Nevco Scorers Tables as an educational opportunity
- Students who have an interest in game day athletic operations will gain hands-on experience by operating professional grade equipment
- Graphic design classes can also have hands-on experience creating content to display on Nevco LED Scorers Tables

4. ULTIMATE GAME DAY EXPERIENCE

- A sleek and professional addition to any gym or arena to display school or team name, mascot or team sponsors
- Utilize LED tables to display crowd-energizing fan prompts, social media fan trends, sponsorship games and live game stats
- Create a visually appealing table front for scorekeepers, statisticians, and announcers
