SCHOLASTIC PACKAGE

# FINISHLYNX<sup>®</sup> FULLY AUTOMATIC TIMING SOLUTIONS

The **Scholastic FinishLynx Package** gives you everything you need to meet minimum requirements to host fully automatic timed events!

## WHY FULLY AUTOMATIC TIMING (FAT)?

FAT is the standard today by every regulatory body in Track & Field and mandated for record ratification at all levels, including the International Association of Athletics Federations (IAAF) to the National Federation of High Schools (NFHS).

In order to be used to sanction meet results for new state, national and international records, an approved FAT system must:

- Start timing automatically by the signal from the starting apparatus
- Be capable of producing printed images showing times
- Capture timing to a precision of at least 1/100th second
